

### F-1 TRANSFER-IN FORM

All F-1 students applicants transferring in from a U.S. institution to TAMU-CC must complete and submit the required Check-In form and documents to the Office of International Education. As part of the application process, we must determine and verify your admission status with TAMU-CC and your F-1 status with your previous institution.

TAMU-CC cannot issue your transfer I-20 until your SEVIS record has been released by your current institution, all necessary transfer in documents received and reviewed, and your status has been verified. Issuance of your transfer I-20 can take anywhere from 5-15 business days after your release date. Please allow ample time for processing.

**Note:** All authorized employment at your current/previous institution and/or any remaining OPT employment based on your current/previous degree program will end once your SEVIS record has been transferred to TAMU-CC.

**IMPORTANT:** All students transferring in to TAMU-CC MUST report to the Office of International Education within 15 days of the program start date listed on the Form I-20 issued by TAMU-CC, so the P/DSO can register the student in SEVIS as required.
