Searching in Banner

Helpful Tips

- The search and filter features of Banner has been modernized and expanded. Click on the ellipsis button to display the search option list.
- Select “person search” to enter query mode.

The screenshot shows the Banner search interface. At the top, there is a blue header bar with the text "TCC Student Course Registration SZAREGS 9.3.29 [TC 9.3.20] (BPROD)" and navigation icons for ADD, RETRIEVE, RELATED, and TOOLS. Below the header, there are several input fields: "Term:" with the value "202409", "Date:" with the value "05/14/2024", "ID:" (empty), and "Holds:" (empty). There are also checkboxes for "View Current/Active:" (unchecked) and "Print Schedule:" (checked). A "Go" button is located to the right of the "ID:" field. Below these fields, there are buttons for "Print Bill" and "Time Status Information". A grey banner at the bottom of the form contains the text: "Get Started: Complete the fields above and click Go. To search by name, press TAB from an ID field, enter your search criteria, and then press ENTER." An "Option List" dialog box is open in the center, with a red arrow pointing to the "Person Search (SOAIDEN)" option. The dialog box also lists "Alternate ID Search (GUIALT)" and has a "Cancel" button at the bottom.

This screenshot is similar to the one above, showing the Banner search interface. The "Term:" field is "202409" and the "Date:" field is "05/14/2024". The "ID:" field is empty and has a red arrow pointing to its ellipsis button. The "Go" button is to the right of the "ID:" field. The "View Current/Active:" checkbox is unchecked, and the "Print Schedule:" checkbox is checked. The "Print Bill" and "Time Status Information" buttons are visible below the input fields. The grey banner at the bottom contains the same text: "Get Started: Complete the fields above and click Go. To search by name, press TAB from an ID field, enter your search criteria, and then press ENTER."

Query/Filtering

Select the field options and parameter sets. To execute the query, click the "GO" button.

The screenshot shows a web application window titled "Person Search SOAIDEN 9.3.12 (BPRD)". The interface includes a navigation bar with "ADD", "RETRIEVE", "RELATED", and "TOOLS" options. A green notification bar at the top right says "Enter a query; press F8 to execute." Below this, there are tabs for "Basic Filter" and "Advanced Filter". The main search area contains several input fields: "ID", "Last Name", "First Name", "Middle Name", and "Change Indicator". A red arrow points from the text "Select the field options" to the "Last Name" field. Another red arrow points from the text "click the 'GO' button" to the "Go" button. To the right of the "Change Indicator" field is a button labeled "Add Another Field ...". At the bottom right of the search area are "Clear All" and "Go" buttons. Below the search area is a table with columns: "ID", "Last Name", "First Name", "Middle Name", "Birth Date", "Change Indicator", "Prefix", "Suffix", and "Name Type". At the bottom left, there are radio buttons for "Case Insensitive Query" (selected) and "Case Sensitive Query".
