Short Bio:

Dr. Gevrek is a Tenured Full Professor of Economics at the Texas A&M University, Corpus Christi (TAMU-CC). She also serves as an Economist at the TAMU-CC South Texas Economic Development Center (STEDC), which serves as an objective, data-driven, analytical, and technical economic consulting hub for leaders and other decision makers in the public and private sectors. She is also a Research Fellow at International Labor Institute IZA of Germany and the National Vice President of the Omicron Delta Epsilon, International Honor Society of Economics. She studied economics at the Bogazici University in Istanbul, Turkey. She got in Bogazici University by ranking 121st out of over 1.5 million high school seniors. After receiving her B.A. degree, she attended and earned Ph.D. and M.A. degrees from the University of Texas at Austin.

Dr. Gevrek is a prolific academic whose research was published in prestigious journals and was featured at The Wall Street Journal and the Wired magazine. Her research interests include Applied Econometrics and Labor Economics with a focus on labor supply, human capital, education, migration, health outcomes, and the impact of international treaties on women's and girl's wellbeing in developing countries. She has published at prestigious peer-reviewed journals such as Labour Economics, Education Economics Review, Economics and Human Biology, Personnel Review, Applied Economics Letters, The Review of Black Political Economy, International Migration, International Journal of Social Economics, Eastern Economic Journal, Theoretical and Applied Economics, Global Economic Review. She takes pride on having worked over 15 co-authors from various disciplines and areas.

Dr. Gevrek prioritizes student engagement and learning, and both graduate and undergraduate courses. She received numerous teaching awards from the TAMU-CC: including the College of Business New Faculty Excellence in Teaching Award; Texas A&M System Chancellor's Award for Teaching; and TAMUCC Honors Program Outstanding Faculty Award. She has received several awards related to her research activity: "College of Business Research Enhancement Award," every year in 2016-2024 period, due to high quality and quantity of her peer-reviewed publications, and "The Researcher of the Year" award in 2017, from TAMU-CC. Most recently, in 2023, she received the College of Business Faculty Service Excellence Award. Dr. Gevrek is active in serving her department, college, TAMU-CC and local, global and professional community. She continues represent TAMUCC nationally and internationally as she was also Visiting Research Scholar at the Economics departments of University of Texas at Austin and Deakin University (Australia) during her Faculty Developmental Leave.
