

# HOW GOOD

Find your climate friendly foods by looking for our icons at Islander Dining Hall! Certified by HowGood, our icons indicate if the recipe has an environmental and social impact better than a specified % of other food based on HowGood's database of over 2 million products.

# O2GO PROGRAM

Islander Dining is dedicated to reducing plastic waste in our oceans. With our Skip The Straw and OZZI O2GO To-Go Programs, you can make a difference. Purchase a \$5 container for your meals and simply exchange it for a clean one when you return. By skipping plastic straws and using reusable containers, we're working towards a cleaner, greener future. Join us in our efforts to protect the environment!

# OCEAN FRIENDLY

Islander Dining Hall achieved Certified Ocean Friendly Restaurant status by The Surfrider Foundation on October 30, 2019. We're honored to be the only dining hall nationwide with this distinction. Our focus is on reducing our carbon footprint and leaving a lasting positive impact on the environment.

# BOOST ORDERING

You can order all your favorite meals directly from your smartphone with Boost! Download the app to get 20% off your first purchase and skip the line at your favorite dining locations here on the island.

# DINING MEMBERSHIPS 101

## MEAL SWIPE

These are included with meal plans except for Dining Dollars only plans. 1 Meal Swipe gives you instant access to Islander Dining Hall, our all-you-can-eat location. With rotating menus for each meal period, you can always satisfy your craving.

## DINING DOLLARS

Dining dollars are attached to meal plans and designed to help you cover meals or snacks at retail locations. Dining dollars carry over from Fall to Spring semester, but they do not carry over from Spring to Fall semester.

## MEAL TRADES

Add greater flexibility to your meal plan! They allow you to "trade" 1 Meal Swipe for a meal at participating retail locations. Meal trades are available at select retail locations on the island.
