Third Party Sponsored Billings

- Only Tuition and Fees can be billed to a sponsor.
- A student, who has an approved sponsor that will be paying, must turn in the documentation (e.g. voucher, letter, purchase order, etc...) to the Accounts Receivable Office (ARO) prior to the payment due date each semester. If the documentation is not received prior to the due date the student will need to pay to avoid late fees and/or cancellation of classes.
- If a student is not sure if their sponsor is an approved agency contact ARO.
- Sponsored Billings will be counted as a resource for a student's financial aid award which may require aid to be adjusted.
- Some Examples of Third Party Billings:
 - Texas Guaranteed Tuition Plan
 - Texas Tuition Promise Fund
 - Department of Assistive Rehabilitative Services (DARS)
 - AmeriCorps
 - Dept. of Veteran's Affairs

Exemptions and Waivers

- **Exemptions** are programs authorized by state statute that allow a student to pay a reduced amount of tuition and/or fees.
- **Waivers** are programs authorized by state statute that allow a nonresident student to pay the same rate of tuition as a resident of Texas.
- Exemptions and Waivers will be counted as a resource for a student's financial aid award which may require aid to be adjusted.
- A student who is eligible for an exemption or waiver must turn in the documentation to the Accounts Receivable Office (ARO) prior to the payment due date each semester.
- Some exemptions and waivers approvals are sent to ARO by another university office (e.g. Hazlewood – Veteran's Office, Competitive Scholarship Waiver – Scholarship Office).
- Examples of Exemptions and Waivers:
 - Hazlewood Exemption
 - Blind Exemption
 - Deaf Exemption
 - Competitive Scholarship Waiver
 - Foster/Residential Care Exemption

 - SAP is primarily reviewed at the end of each Fall unless the student is on probation, then it is reviewed every semester.
 - A student SAP status can be appealed with the Financial Aid Office.
- **Selective Service Registration (SSR)**
 - All Waivers and most exemptions will require the male students receiving the benefit to have registered for Selective Service.
- **Excessive Hours**

- When a course is *Dropped* prior to the census date at the beginning of the term the student may be eligible for 100% refund of tuition and fees.
- When a student *Withdraws* from the semester, refunds are broken down into percentages at the beginning of the term. Only withdrawing prior to the beginning of the semester will give a 100% refund.
- *Drops* and *Withdrawal* refunds are calculated based on the amount charged, not the amount paid.
- *Drop* and *Withdrawal* dates are based on the length of courses, not the number of days the class meets. The calculation of those dates is determined by the Texas Higher Education Code not the university.
- *Dropping* a class or *Withdrawing* from the university does not release a student's financial responsibility for the balance owed.
