CAREER MAP

ENGLISH- SECONDARY TEACHER CERTIFICATION IN ENGLISH LANGUAGE ARTS (GRADES 7-12) LITERARY EMPHASIS

Bachelor of Arts

English majors will choose an emphasis in literary studies or writing studies. The literary studies emphasis provides students with the skills to interpret and write about texts, including literary and filmic, within a range of historical and cultural contexts. The writing studies emphasis allows students to develop their abilities to use writing in a variety of contexts and for a variety of purposes, and to develop an understanding of how writing operates in the world, through studies in rhetoric, literacy, and writing. Both tracks give students skills as critical thinkers and communicators that will prepare them for a variety of different career paths, including law, business, teaching, and the sciences, as well as for graduate study.
