

# DON'T GET BURNED

*by scam emails*

**SERVING**  
(your data on a platter)

**INGREDIENTS**  
(one scammer, one target)

**READY IN**  
(all forms of messaging)

Phishers will send you enticing emails. They claim to be a friend or colleague and ask for money, data or special access. When you smell phish, report it immediately — or you might get burned!
