

Career & Professional Development Center Resources

Handshake (HireAnIslander) (<https://tamucc.joinhandshake.com/login>)

Online job platform available to all TAMU-CC current students and Alumni. Job and internship postings (local, state, and national), employer recruitment events, and career center activities and events are all found in Handshake (HireAnIslander).

What Can I Do With This Major

(<https://career-services.tamucc.edu/students/index.html>)

Students can explore careers connected with specific majors and learn about typical career areas and types of employers that hire from each major.

Candid Careers

(<https://career-services.tamucc.edu/students/index.html>)

Career information and planning help through videos. View interviews with professionals in a variety of fields. Learn valuable information about skills needed for careers. Gain insight on career preparation topics such as resumes, interviewing, and networking.

GoingGlobal

(<https://career-services.tamucc.edu/students/index.html>)

Resource for searching jobs in the US and around the globe. Going Global prepares students for careers in other countries and gives International students a resource to search for sponsoring companies in the United States.

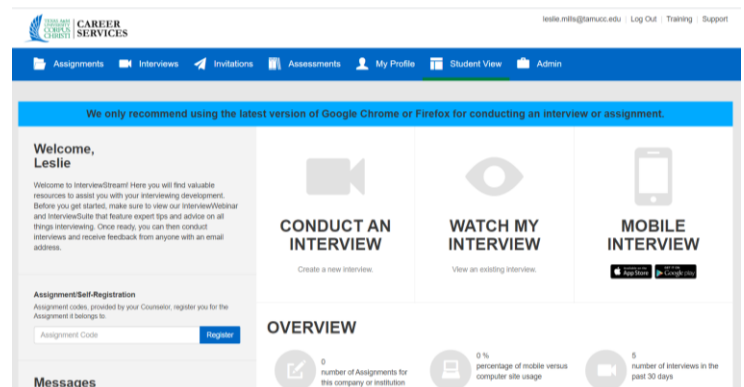

InterviewStream

(<https://tamucc.interviewstream.com/Account/Login?ReturnUrl=%2f>)

Mock interview software that enables students to practice important interview skills. Interviews can be recorded and sent to career counselors, faculty, friends, and family for review and feedback.

Choices 360 (<https://www.choices360.com/>)

Choices 360 is an assessment tool that can help students make decisions about their educational and career goals by examining their interest, values, abilities, and skills. This assessment tool should be used in conjunction with career counseling and an access code is required.

LinkedIn Learning (<https://www.tamucc.edu/information-technology/linkedin-learning//>)

LinkedIn Learning is an online training resource that features thousands of video tutorials and training resources about business, technology, and creative skills. The subscription for the university offers unlimited access to a vast library of engaging video tutorials and industry-leading content taught by recognized industry expert instructors in leadership, project management, graphic design, software development, and much more.

TAMUCC Career & Professional Development Center STREAM Channel (<https://bit.ly/3que3Pb>)

The Career & Professional Development Center has created a repository of videos from employer meet ups and Q&As to how to videos hosted by career counselors; this channel is full of career informative videos through Microsoft STREAMS.
