

CPIRA  
SPRING 2025

A large, vibrant firework explosion is captured against a dark night sky. The firework bursts into a dense, fan-like shape, with numerous bright white and yellow streaks radiating outwards. In the upper left corner, a small cluster of green lights is visible. The overall scene is dynamic and celebratory. Overlaid on the center of the image is the text "\$50M" in a large, white, sans-serif font.

**\$50M**
