

**Camille & Henry Dreyfus Foundation
Dreyfus Teacher-Scholar Awards
Limited Submission Competition**

The Camille & Henry Dreyfus Foundation's Henry Dreyfus Teacher-Scholar Awards Program awards \$75,000 unrestricted research grants to faculty who meet **all** of the following criteria:

- From academic institutions in the States, Districts, and Territories of the United States of America that grant a bachelor's or master's degree in the *chemical sciences, including chemistry, biochemistry, materials chemistry, and chemical engineering; and*
- In departments that do not grant a doctoral degree. A potential nominee is ineligible if there is active participation or substantial research productivity in a Ph.D. program of another department or institution, or in an interdisciplinary Ph.D. program; and
- Hold a full-time tenure-line academic appointment *focused on the chemical sciences; and*
- Are after the fourth and not after the twelfth year of their independent academic careers at the time of the submission of the nomination and be engaged in independent research and teaching primarily with undergraduates.

To be considered for selection, the application materials described below must be submitted to **Janet Donaldson** (janet.donaldson@tamucc.edu) no later than **Monday, July 8, 2024, at 10 a.m. CT**. The application deadline is **Thursday, August 1, 2024 (no time given)**.
