No grades less than a "B" and no courses earned toward another completed graduate degree will be accepted as transfer credit. Credit more than seven years old will not be counted toward the MFA degree.

Continuous Enrollment

Leave of Absence

Students experiencing life-changing or catastrophic events should consult with their graduate coordinator and/or department chair and request a [Leave of Absence](#) in writing from the College of Graduate Studies using the [Request for Leave of Absence form](#). A student in good standing may petition for a leave of absence for no more than two full academic terms. The maximum number of requests permitted in a program is two. A request requires approval in advance by the faculty advisor, Graduate Coordinator, SAMC Director, and Graduate Dean. If the Graduate Dean approves the petition, the registration requirement is set aside during the leave period. A leave of absence requires suspension of all activities associated with the pursuit of the degree. See the catalog for more information.

Time Limit to Degree

An MFA degree at Texas A&M University-Corpus Christi must be completed within (7) years. The period begins the first semester of enrollment and is calculated from degree conferral. Credit that is more than seven years old will not be counted toward the degree. Exceptions require strong written justification from the student and submission of a revalidation plan. Credits earned at another university are not eligible for an exception. Written approval from the Department Chair, the SAMC Director, the Graduate Dean, and the Provost are required. To revalidate dated courses, students should see [Graduate Academic and Degree Requirements](#) section of the catalog. Revalidation requests should be made using the [Revalidation Request Form](#).
