

Audition Information Music Industry

- Students must prepare the audition requirements of their primary instrument/voice (<https://www.tamucc.edu/samc/music/auditions/index.php>)
- A video explaining why you should be a Music Industry major (see below)
 - Music Industry Video Prompt:
 - We would like you to discuss why you think this is an appropriate major for you. You may address this in any way you choose; including, but not limited to: your background, experiences, career goals, academics, musicianship, equipment you own or have access to, or other personal reasons.
 - Please organize your thoughts and present a compelling presentation, letting us know the most important things about you.
 - This video, along with your additional application materials, will also be used to select students for scholarships.
 - Video parameters
 - Length: 90 seconds to 3 minutes
 - Please upload an unlisted YouTube video and provide us with the link. Do not make the video private.
 - For additional help with recording, please see the following link:
